

KITCHEN QUEEN *By REVERE*

Revere offers the Kitchen Queen top mount series to satisfy the need for good dependable quality at an economical price. The Kitchen Queen line is fabricated from 300 series nickel-bearing stainless steel. The sinks feature a polished buffed finish and have undercoating applied to bottom to dampen sound and reduce condensation.

POPULAR SIZES

The Kitchen Queen line includes all of the most popular sizes and configurations your production/volume oriented construction customers are looking for. The 33" x 22" double bowl shares the line-up with three different single bowl options.
