

PURITAN *By REVERE*

The Puritan top mount series offers quality conscious buyers a wide variety of choices not often found at this price point. All models are made from 300 series quality stainless steel while the sinks feature Revere's soft satin finish. To top off the package, select Puritan models are available in 6½", 7" and 8" depths. Each Puritan series sink includes bottom undercoating that decreases noise and reduces condensation. Puritan – an unusual value at an affordable price.
