POPULAR CHOICES

REVERE LAVATORY SINKS COME IN THREE MATERIALS:

Vitreous china –
Crafted from a clay mixture that is fired at an intense heat to vitrify the clay and fuse the glaze. The result is durable, non-porous china with a hard, glossy finish.

Stainless Steel –
Made from 20 gauge stainless steel for long term durability.

Natural Glass –
This modern piece is made of 12mm thick, durable, tempered glass.
