

Puritan™ by Revere

A Value Line with a Wide Selection of Choices

The Puritan series offers quality conscious buyers a wide variety of choices not often found at this price point. All models are made from 300 series quality stainless steel while the bowls receive Revere's soft satin buffed finish. To top off the package, Puritan models feature a machine ground deck for a tough, durable texture. Many Puritan models are available in 6½", 7" and 8" depths. Each Puritan series sink includes a complete bottom undercoating that reduces noise and provides excellent condensation control.

Puritan – an unusual value at an affordable price.
